UHM MOAR™ Ripper

Hookup - Direct Pin-On and Quick Coupler versions.

Eyes - Solid 44W, virtually indestructible.

Balast Plates - Solid 44W steel plates provide added mass for maximum down force.

Gusset Plates - Solid 44W plates provide extra weight for deeper and easy ripping of impenetrable shale and shot rock.

Simple - Mechanical operation, no hydraulics or extra controls .

Cross Bracing - Super strong cross bracing supports the ballast plates, and eliminates vibration and flexing.

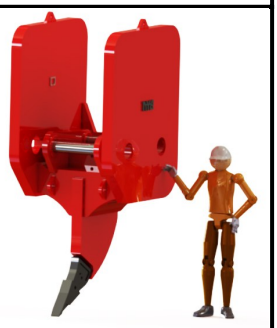
Ripper Shank - Massive heavy duty shank.

Replaceable Teeth - Customers choice of GET.

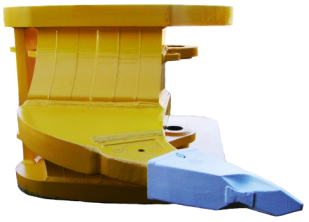
Features & Benefits

- Designed and built to handle the most severe shale and shot rock.
- Extra heavy top plate for increased ripping down force.
- Customer's choice of tooth and wear shrouds.
- Customer's choice of shank length.
- The UHM MOAR™ is so heavy the machine works just to lift it!

Proven Design



Extreme Heavy duty



Ultra High Mass

UHM MOAR™ Series Typical Specifications

Carrier	Model	Pin to Point mm [in]	Shank Thickness mm [in]	Weight kg [lb]
13 - 17 t	15MR1	1,120 [44]	64 [2.5]	3,287 [7,247]
16 - 24 t	20MR1	1,140 [45]	64 [2.5]	4,158 [9,167]
22 - 28 t	25MR1	1,320 [52]	76 [3]	5,392 [11,887]
26 - 38 t	30MR1	1,320 [52]	89 [3.5]	6,120 [13,492]
35 - 50 t	40MR1	1,340 [53]	102 [4]	7,957 [17,542]
59 - 90 t	70MR1	1,830 [72]	102 [4]	9,154 [20,181]

Nye UHM MOAR™ Frost Ripper:

Nye has a wealth of experience with custom Rippers of all types for all applications. We specialize in heavy duty rippers that weigh more and rip better than standard duty rippers due to the increased down force provided by the extra weight. Our virtually unbreakable Rippers are available in custom shank lengths and various tooth configurations to suit the customers' needs and preferences.

For extreme heavy duty ripping we offer the Ultra-High Mass MOAR™ ripper. These rippers are built with extra heavy solid steel frames for increased down force. Ultra High Mass MOAR™ Rippers feature heavy solid steel frames and added side weights for the ultimate in ripping power. The Nye UHM MOAR™ is truly the Mother of All Rippers! Designed for ripping shot rock, MOAR™ rippers have massive solid steel balast plates which provide the maximum possible down force for the most extreme ripping jobs.
